

# Changes in Degrees Awarded: 2014-15 to 2016-17

● Institution — Mean ■ Median

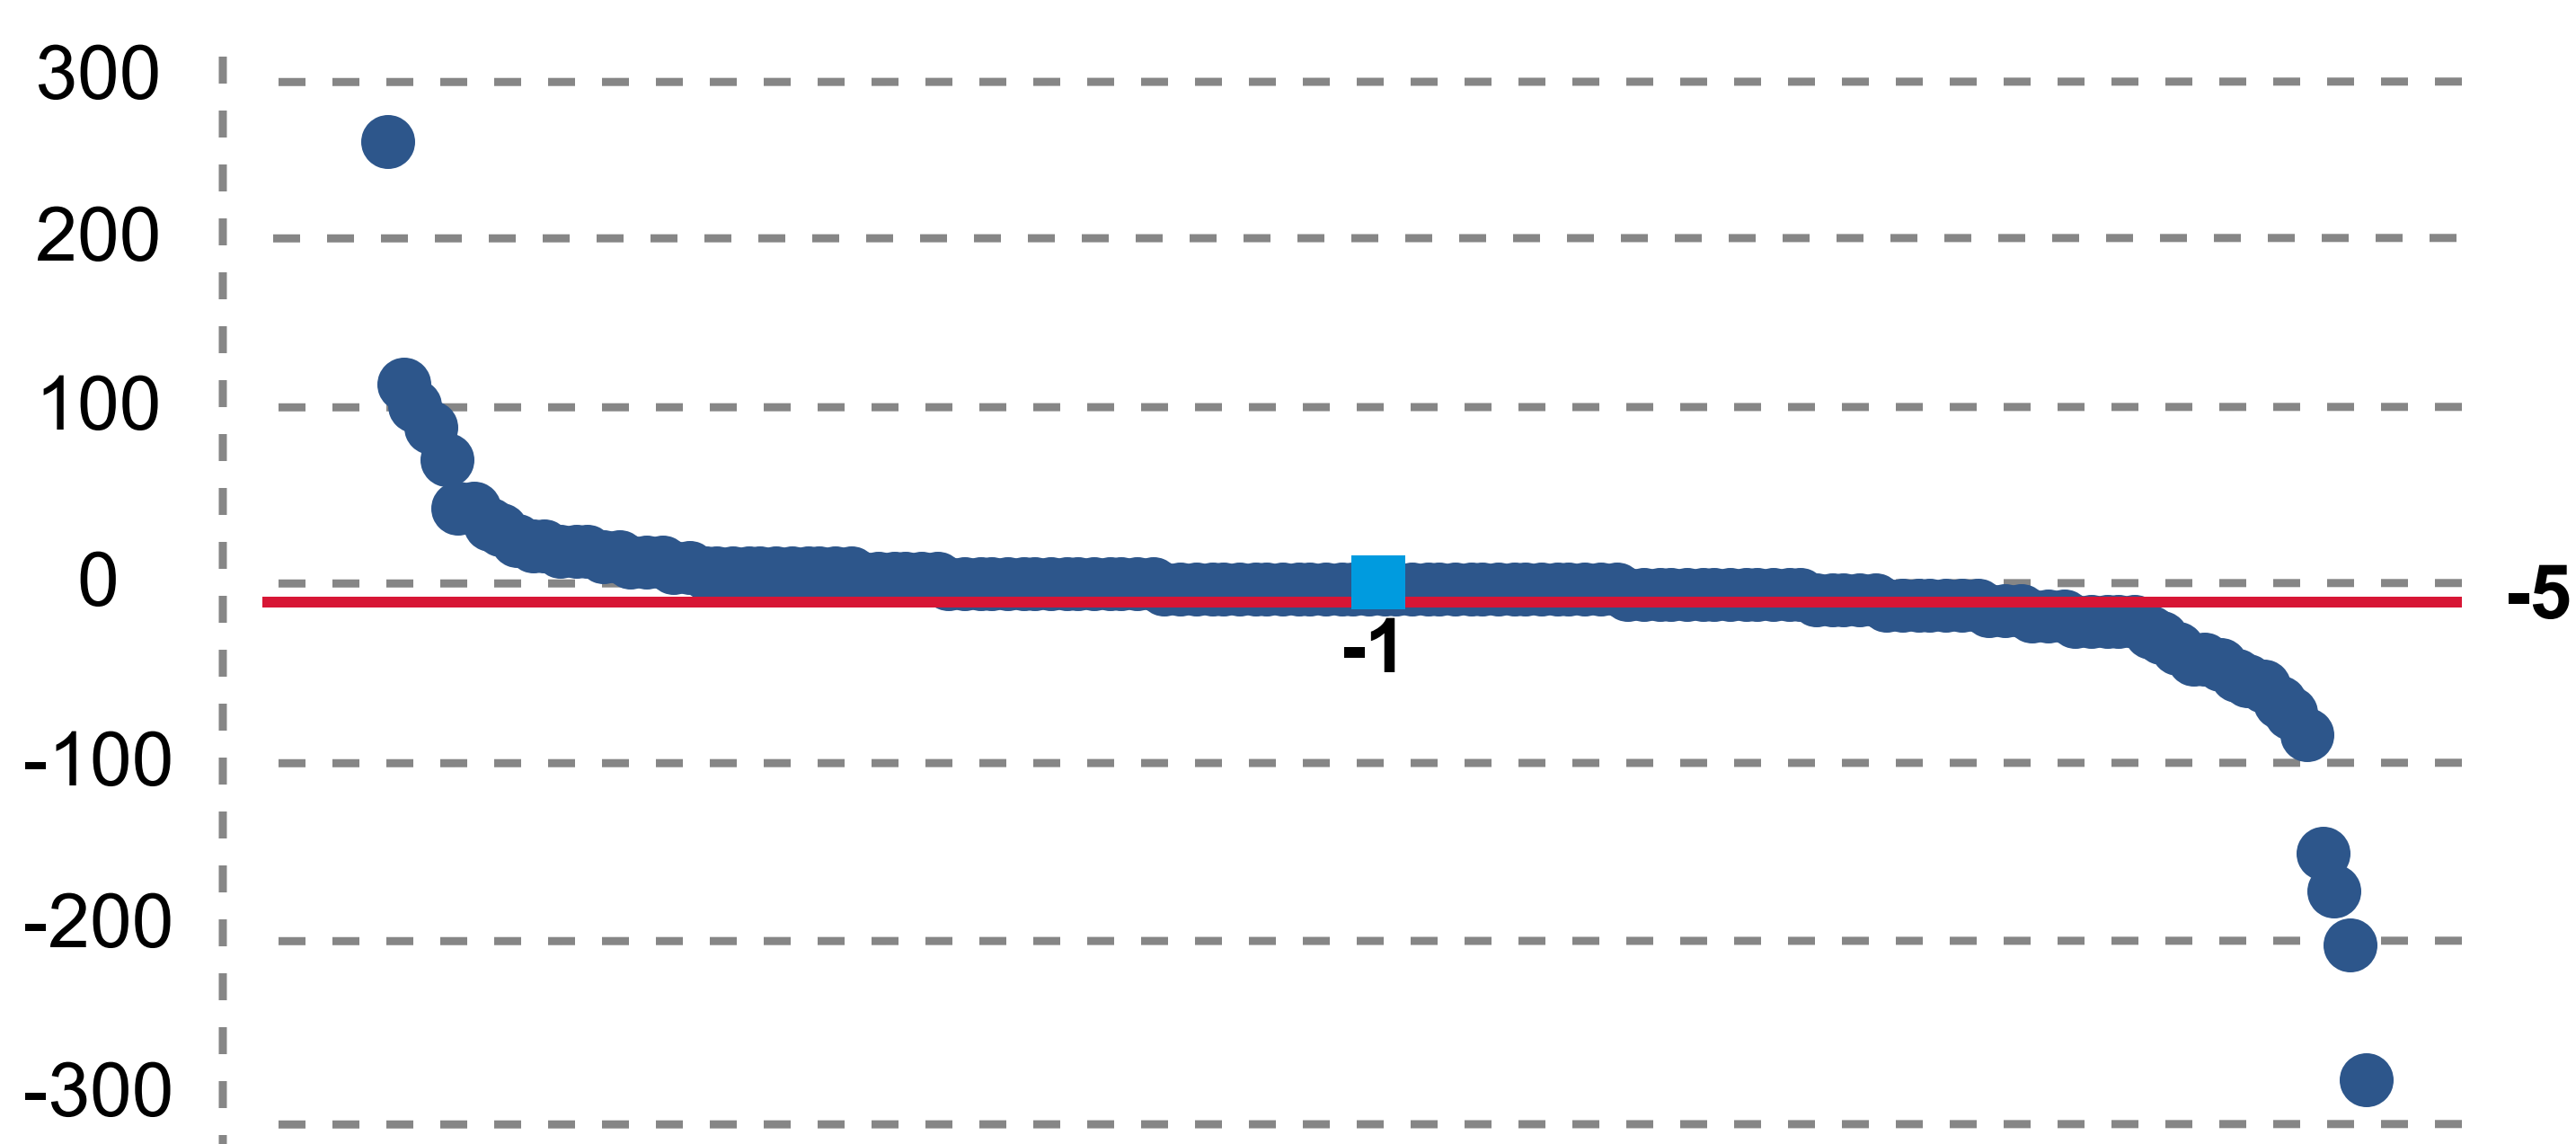

## Change in Doctoral Degrees Awarded

## Change in Master's Degrees Awarded

## Change in Bachelor's Degrees Awarded

The data presented here are from individual institutions that completed the 2014-15 and 2016-17 APSA Departmental Surveys. APSA asked departments to report the total number of bachelor's, master's, and doctoral degrees they awarded, and the changes in degrees awarded are displayed above. Of the surveyed departments 138 reported bachelor's degrees awarded, 46 reported master's degrees awarded, and 37 reported doctoral degrees awarded in the 2014-15 and 2016-17 APSA Departmental Surveys.
